

SCHRAMM TO ANNOUNCE NEW DRILLING RIG & SUPPLY-CHAIN PARTNERSHIP AT MINEXPO 2016

West Chester, PA, August 10, 2016 – Schramm Inc., a world-class manufacturer of land drilling rigs, will be exhibiting at this year’s [MINExpo International](#) in Las Vegas, Nevada, from September 26 to 28. At the expo Schramm will unveil their new advanced drilling rig and new supply chain partnership to enhance aftermarket support for customer operations.

“This is a transformational time, as the mining industry emerges from the downturn and begins to ramp up activities,” said Mike Dynan, Vice President, Portfolio & Strategic Development at Schramm, Inc. “Over the course of our 116-year history we’ve consistently demonstrated our ability to provide innovative products and services that help our customers increase their profitability. Through our new initiatives, Schramm has strengthened its ability to provide end-to-end support to our valued, world-wide customer base.”

Visit Schramm’s exhibition space at Booth #17100, in the Silver Lot, to tour the latest addition to the Schramm drilling rig family, meet the launch customer for Schramm’s next generation rig and learn more about Schramm’s new supply chain management partnership. At the booth, Schramm experts will also be on hand to share insights and knowledge that can help companies increase productivity.

Follow Schramm on [Facebook](#), [Instagram](#), and [LinkedIn](#), for live updates from the show floor and recaps of the exposition.
